Fair and Personal Analysis

The concept of fair and personal analysis describes the extent of the choice of products and providers offered by an intermediary within a particular category of life assurance, general insurance, mortgages, and/or a specialist area. The number of contracts and providers considered must be sufficiently large to enable an intermediary to recommend a product that would be adequate to meet a client's needs. The number of providers that constitutes 'sufficiently large' will vary depending on the number of providers operating in the market for a particular product or service and their relative importance in and share of that market. The extent of fair analysis must be such that could be reasonably expected of a professional conducting business, taking into account the accessibility of information and product placement to intermediaries and the cost of the search. In order to ensure that the number of contracts and providers is sufficiently large to constitute a fair and personal analysis of the market, we will consider the following criteria:

- the needs of the customer,
- the size of the customer order,
- the number of providers in the market that deal with brokers,
- the market share of each of those providers,

- the number of relevant products available from each provider,
- the availability of information about the products,
- the quality of the product and service provided by the provider,
- cost, and any other relevant consideration.

Investment Products

CSL Financial is remunerated by commission for our investment intermediary services e.g. the advice we provide on our insurance based investment products.

Life & Pensions/Deposits & Life Wrapped Investments

CSL Financial provides life assurance and pensions on a fair and personal analysis basis i.e. providing services on the basis of a sufficiently large number of contracts and product producers available in the market to enable us to make a recommendation, in accordance with professional criteria, regarding which contract would be adequate to meet your needs.

We will provide assistance to you for any queries you may have in relation to your policies or in the event of a claim during the life of the policies and we will explain to you the various restrictions, conditions and exclusions attached to your policy. However, it is your responsibility to read the policy documents, literature and brochures to ensure that you understand the nature of the policy cover; particularly in relation to permanent health insurance (PHI) and serious illness policies. Specifically on the subject of permanent health insurance policies it is our policy to explain to you a) the meaning of disability as defined in the policy; b) the benefits available under the policy; c) the general exclusions that apply to the policy; and d) the reductions applied to the benefit where there are disability payments from other sources. For a serious illness policy, we will explain clearly to you the restrictions, conditions and general exclusions that attach to that policy.

Sustainability Factors

In accordance with the Sustainable Finance Disclosure Regulation (SFDR), we inform you that when providing advice on insurance based investment products/investments, we do not assess, in addition to relevant financial risks, relevant sustainability risks as far as this information is available in relation to the products proposed/advised on. This means that we do not assess environmental, social or governance events/conditions that, if they occur, could have a material negative impact on the value of the investment.

When providing advice on insurance based investment products or investment advice we do not consider the impacts of our advice that result in negative effects on sustainability factors (e.g. environmental, social and employee matters, respect for human rights, anti-corruption and anti-bribery matters). We have not assessed the likely impacts of sustainability risks on the returns of investments/pensions.

Statement of Charges

CSL Financial is remunerated by commission and other payments from product producers on the completion of business. Where we receive recurring commission, this forms part of the remuneration for initial advice provided. A summary of the details of all arrangements for any fee, commission, other reward or remuneration paid or provided to CSL Financial which it has agreed with product producers is available on our website www.csfinancial.ie.

In certain circumstances, it will be necessary to charge a fee for services provided. Where fees are chargeable, we will notify you in writing in advance and agree the scale of fees to be charged. If we receive commission from a product provider, this may be offset against the fee which we will charge you. Where the commission is greater than the fee due, the commission may become the amount payable to the firm unless an arrangement to the contrary is made.

If we receive commission from a product provider [and off-set the commission against the fee which we would otherwise have charged you] but the commission is subsequently clawed-back by the

provider because of early encashment by you or because of the transferring of the assets or business to another provider or in any circumstances consequent on your actions or omissions, we will charge a fee to you that is equal to 100% of the clawed-back commission. That fee will be owing in simple contract upon the claw-back of the commission.

Ongoing Suitability

The firm will provide periodic assessments of the suitability of the products we have recommended to you.

Regular Reviews

It is in your best interests that you review, on a regular basis, the products which we have arranged for you. As your circumstances change, your needs will change which may result in you having insufficient insurance cover and/or inappropriate investments. We would therefore advise that you contact us to ensure that you are provided with up to date advice and products best suited to your needs.

Conflicts of Interest

It is the policy of our firm to avoid conflicts of interest in providing services to you. However, where an unavoidable conflict of interest arises we will advise you of this in writing before providing you with any service. A full copy of our conflicts of interest policy is available on request.

Default on Payments by Clients

Our firm will exercise its legal rights to receive payments due to it from clients (e.g. fees) for services provided. Product producers may withdraw benefits or cover in the event of default on payments due under policies of insurance or other products arranged for you. We would refer you to policy documents or product terms for the details of such provisions.

Complaints

Whilst we are happy to receive verbal complaints, it would be preferable that any complaints are made, in writing. We will acknowledge your complaint in writing within 5 business days and we will fully investigate it. We shall investigate the complaint as swiftly as possible, and, the complainant will receive an update on the complaint at intervals of not greater than 20 business days starting from the date on which the complaint is made. On completion of our investigation, we will provide you with a written report of the outcome. In the event that you are still dissatisfied with our handling of or response to your complaint, you are entitled to refer the matter to the Financial Services and Pensions Ombudsman (FSPO). A full copy of our complaints procedure is available on request.

Data Protection

We are subject to the requirements of the General Data Protection Regulation 2018 (GDPR) and the Irish Data Protection Act 2018. CSL Financial is committed to protecting and respecting your privacy. We wish to be transparent on how we process your data and show you that we are accountable with the GDPR in relation to not only processing your data but ensuring you understand your rights as a client.

The data will be processed only in ways compatible with the purposes for which it was given and as outlined in our Data Privacy Notice. This will be given to all our clients at the time of data collection. We will ensure that this Privacy Notice is easily accessible. Please refer to our website www.csfinancial.ie in this regard. If this medium is not suitable or not available we will ensure you can easily receive a hard copy, on request. Please contact us by email at info@csfinancial.ie or by telephone on (061) 308 719 if you have any concerns about your personal data.

Consumers: Duty of Disclosure when completing documentation for new business/renewals and midterm adjustments

You are required to answer all questions posed by us or the insurer honestly and with reasonable care – the test will be that of the ‘average consumer’. Average consumer as per Directive No. 2005/29/EC of the European Parliament and of the Council of 11 May 2005 is reasonably well informed and reasonably observant and circumspect, taking into account social, cultural and linguistic factors.

Before renewal of the contract of insurance, specific questions will be asked. Again you will be required to answer honestly and with reasonable care. Where you do not provide additional information (after being requested to do so) it can be presumed that the information previously provided remains unchanged.

Failure to answer all questions honestly and with reasonable care can result in the Insurer being able to rely on proportionate remedies for misrepresentation, which include but are not limited to the insurer voiding the contract of insurance. If a policy is cancelled by an insurer for any reason including payment default you may encounter difficulty in purchasing insurance in the future.

Completed Proposal Forms/Statement of Fact

Completed proposal forms or Statements of Facts will be provided to you. These are important documents as they form the basis of insurance contract between the insurer and you the consumer. You should review and confirm that the answers contained within are true and accurate.

You are under a duty to pay your premium within a reasonable time, or otherwise in accordance with the terms of the contract of insurance. A court of competent jurisdiction can reduce the payout to you if you are in breach of your duties under the Act, in proportion to the breach involved.

Cancellation of a Contract of Insurance

If you have taken out a life insurance contract, you may cancel the contract by giving notice in writing within 30 days after the date you were informed the contract is on cover. The giving of notice of cancellation by you will have the effect of releasing you from any further obligation arising from the contract of insurance. The insurer cannot impose any costs on you other than the cost of the premium for the period of cover. This right to cancel does not apply where, in respect of life insurance the contract is for a duration of six months or less.

Post-Contract Stage and Claims

An insurer may refuse a claim made by you under a contract of insurance where there is a change in the risk insured, including as described in an “alteration of risk” clause, and the circumstances have so changed that it has effectively changed the risk to one which the insurer has not agreed to cover. Any clause in a contract of insurance that refers to a “material change” will be interpreted as being a change that takes the risk outside what was in the reasonable contemplation of the both you and the insurer when the contract was concluded. You must cooperate with the insurer in an investigation of insured events including responding to reasonable requests for information in an honest and reasonably careful manner and must notify the insurer of the occurrence of an insured event in a reasonable time. You must notify the insurer of a claim within a reasonable time, or otherwise in accordance with the terms of the contract of insurance. If you become aware after a claim is made of information that would either support or prejudice the claim, you are under a duty to disclose it. (The insurer is under the same duty). If you make a false or misleading claim in any material respect (and know it to be false or misleading or consciously disregards whether it is) the insurer is entitled to refuse to pay and to terminate the contract. Where an insurer becomes aware that a consumer has made a fraudulent claim, they may notify the consumer advising that they are voiding the contract of insurance, and it will be treated as being terminated from the date of the submission of the fraudulent claim. The insurer may refuse all liability in respect of any claim made after the date of the fraudulent act, and the insurer is under no obligation to return any of the premiums paid under the contract.

Compensation Scheme

We are members of the Investor Compensation Scheme operated by the Investor Compensation Company Ltd. See below for details.

Investor Compensation Scheme

The Investor Compensation Act, 1998 provides for the establishment of a compensation scheme and the payment, in certain circumstances, of compensation to certain clients (known as eligible investors) of authorised investment firms, as defined in that Act. The Investor Compensation Company Ltd. (ICCL) was established under the 1998 Act to operate such a compensation scheme and our firm is a member of this scheme. Compensation may be payable where money or investment instruments owed or belonging to clients and held, administered or managed by the firm cannot be returned to those clients for the time being and where there is no reasonably foreseeable opportunity of the firm being able to do so. A right to compensation will arise only:

- If the client is an eligible investor as defined in the Act; and
- If it transpires that the firm is not in a position to return client money or investment instruments owned or belonging to the clients of the firm; and
- To the extent that the client's loss is recognised for the purposes of the Act.

Where an entitlement to compensation is established, the compensation payable will be lesser of:

- 90% of the amount of the client's loss which is recognised for the purposes of the Investor Compensation Act, 1998; or
- Compensation of up to €20,000.

For further information, contact the Investor Compensation Company Ltd. at (01) 224 4955.

Brokers Ireland Clients' Compensation and Membership Benefits Scheme

We are also members of the Brokers Ireland Clients' Compensation and Membership Benefits Scheme. Subject to the rules of the scheme the liabilities of its members firms up to a maximum of €100,000 per client (or €250,000 in aggregate) may be discharged by the fund on its behalf if the member firm is unable to do so, where the above detailed Investor Compensation Scheme has failed to adequately compensate any client of the member. Further details are available on request.
